

Advanced Reformer

Learn to use the various Reformer components and accessories to intensify the Reformer repertoire and provide a stimulating workout for highly conditioned clients. Exercises presented require greater strength, stability and flexibility. Learn 70 new exercises and exercise variations to increase challenge and function.

This course teaches how to design and instruct Level 2 (Advanced) Reformer workouts in personal or group training settings for a range of clients.

Instructors Learn

- w Effective use of the Reformer to enhance torso stability and strength, peripheral conditioning, joint stability, flexibility, balance and coordination
- w Effective communication and observational skills, verbal cueing and imagery for performance enhancement and client motivation
- w Modifications for specific body types, postural issues and conditions
- w Muscular initiation and sequencing of Advanced-level exercises
- w Multiple variations for variety and intensity
- w 70 exercises and modifications
